aaron.bean@greenleafalaska.com**Capability Statement:**

Green Leaf uses the most proven and successful growing methods throughout the cultivation process to ensure high quality product. From our cultivation facility, knowledgeable staff provides the expertise to deliver the most viable cannabis product solution to the Alaskan market. Green Leaf is a wholesale distributor of a range of white label products to include standardized and pure extracts containing varying ratios (high, low and equal ratios) of tetrahydrocannabinol (THC) and cannabidiol (CBD) including delta-9-THC, CBD, and other cannabinoids. Green Leaf continues to be a key player in defining the marijuana industry standards for the state of Alaska and looks forward to being part of national research.

Core Competencies:

- Bulk manufacturer of marijuana products
- Wide range of marijuana strains
- Large scale indoor and potential outdoor cultivation
- Manufacturer of marijuana cigarettes CBD and THC
- Wholesale distributor of THC and CBD vapes
- METRC certified
